Ganesh Agrahari

PROFILE

BCA student specializing in Data Science and AI with expertise in Python, Machine Learning, Deep Learning (CNN), and web development. Demonstrated experience in real-world projects such as a Face Recognition Attendance System and a Movie Recommendation System. Actively seeking internship opportunities in Python development, particularly in ML, Data Science, AI, or related fields, as well as roles in web development to further enhance my skills.

PROFESSIONAL EXPERIENCE

Data Science Intern Unified Mentor I completed a remote 2-month Data Science internship at Unified Mentor, focusing on technologies like NLP, Power BI, and more.		11/2024 – 01/2025 Gurugram, India
SKILLS		
Python	Machine Learning	
Java	DSA -	
Web Dev	DataBase	
Deep Learning	PowerBi	
EDUCATION		
BCA Data Science & Artificial Intelligence BBD University		08/2023 – 09/2026 Lucknow, India
Intermediate SVM Inter College NTPC		2022 Raebareli, India
PROJECTS		
Movie Recommendation System A Streamlit app that recommends five similar movies based of content-based filtering and Python libraries.	on a selected title, using	08/2024 – 08/2024
Face Recognition Attendance System An advanced Face Recognition Attendance System built with data in SQL.	Python, OpenCV, and CNN, store	04/2024 - 06/2024
Portfolio Website		09/2024 - 09/2024
A responsive portfolio website built with the Next.js framework and experience. Deployed on Vercel for seamless performanc		
Climate Change Analysis Analyzed climate change discussions using NLP for sentiment visualization. Tools: Python, NLTK, and Matplotlib.	analysis, topic modeling, and	10/2024 – 11/2024

CERTIFICATES

- Data Science Level 1 IBM
- Analytics in IBM Cognos
- Machine Learning–Udemy

- Cyber Security Microsoft
- App Development -BBDU
- Java SGCSM

ACTIVITY

Participant - Google developer fest 2024

Member of technical team of my University firm - Aaina
